Requests & Updates:

Thanksgiving for Cynthia Brown and others being given a second chance. May God be with them, and may they get the support they will certainly need.

Thanks to SPC for all the prayers for Bruce Goddard (and Debi) during his illness. He is much better today and came home on Monday. He will be on oxygen for several weeks.

Prayers for the family of Lonnie Brown who died this past week from Alzheimer's complications.

Bill Trolingers' long-time friend Bill Cartwright died this past week. Prayers for his family.

Pam Trolinger's mother is visiting with the family this week. We are glad she joined the Girls' Breakfast Out Saturday morning and joined us for worship today.

Forrest Fisher's friend Cory has an interview this week with a Podcast Host - hopefully with some future financial possibilities. Cory is scheduled to have surgery on his toe April 1st.

Maddie and Mallory Christison asked for prayers as their grandmother Mary - her dog died and the two remaining dogs are lonesome. Two of their grandfathers' have health issues with their heart, cancer and a broken bone. And one of them will be having heart surgery in a few weeks.

Lanette Boyd asked for prayers for herself this coming week.

Pat McDonald will be receiving an injection in her neck Friday to hopefully give her some relief.

JoAnn Hansel remains in Bethany Rehab Center. She is enjoying the visits she has been getting on Mondays, Wednesdays, Fridays and Sundays.

Anita Kimbrough's nephew is one of many Federal employees who are suffering under the current government lockdown. Keep all people affected by this in your prayers.

Jani Kendy remains in St Thomas West.

Nathan Christison remains in Louisville Medical Center and may be facing another surgery.

Nancy Young's long-time friends' daughter Lucy Sensing has been diagnosed with a tumor on her spinal cord.

Bethany Reynolds asked for prayers for her daughter Samantha and her boyfriend as they deal with changes in their lives - one being a baby on the way.

Mark McCaw's mother is in the late stages of Alzheimers.

Continue to keep TELOS and Pastor Beth McCaw in your prayers.

Let us not forget the children who are separated from their families at our southern border and prayers for the parents as they wait.

Katie Rader went home from the hospital Sunday afternoon.

Laurie Donaldson is in Southern Hills Medical Center. She was admitted Sunday afternoon with a high fever. She has a leg wound and is receiving antibiotics.

On Sunday February 3rd, millions of Americans will tune into the Super Bowl football game. There will be food and fun for many people watching the game. At the same time, there will be people struggling to feed themselves and their families for the day.

The Souper Bowl of Caring is a national movement started by youth. Youth believed they could use the energy around our nation's biggest sporting event to inspire Americans to make a difference. For the past several years, we have partnered with our Scout Troop (Troop 249) for this event. The scouts collect canned goods from the community. The church will collect food and monetary donations¹ during January and through February 10th (our Scout Sunday). The scouts will bring their donations on February 10th.

Southminster, with the help of our scouts, will once again join groups across America to do our part! Please bring HEALTHY non-perishable food items or money to donate to Second Harvest Food Bank on or before *February 10th*.

We invite Telos to join us!

Souper Bowl of Caring Bible Verse for January:

You have been a refuge for the poor,
a refuge for the needy in his distress,
a shelter from the storm
and a shade from the heat. *Isaiah 25:4*

¹ Make checks out to Southminster and put 'Second Harvest' on the 'for' line. Cash donations will be collected on February 10th. If you want to make a cash donation before February 10th, put it in an envelope, and write Second Harvest on the envelope.
